

Manufacturing Dates for Early Briggs & Stratton Engines

"Briggs & Stratton" is a registered trade mark of the Briggs & Stratton Corporation, Wauwatosa, WI.

The information on this page and the following pages is excerpted from the booklet "Data Handbook for early Briggs & Stratton Engines" compiled by Bob Learned (who passed away on 1/17/98). This booklet is a collection of specifications and data for early model Briggs & Stratton Cast Iron engines. The information shown here and in the booklet has been compiled from the best information available to me, but as with all data that has passed through many hands, the accuracy cannot be guaranteed. Information regarding any significant errors will be appreciated.
